Dear Costa Mtagwaba,

Greetings?

I am very happy to be in touch with you again, sir, you previously encouraged me to ask you for any assistance or information concerning my academic, we talked by phone and email, you assured me to get my admission letter soon, which was to be dispatched by airmail and email.

The fact is that if the academic year will start in SEPTEMBER this year, am remaining with interval of one month only, that is AUGUST, there is a need of processing the payments which also takes sometime not below two months.

I would like to suggest that you submit my admission letter electronically through email, so that I can get chances of undertaking follow-up for the payments as soon as possible.

I look forward to hearing from you further.

Yours faithfully,

James Munyandinda

**RE: PROPOSAL FOR PAYING 50% OF MY TUITION FEES**

1. Reference to my application letter for sponsorship dated the 27<sup>th</sup> July 2008 which I submitted to your office, where you recommended me for further studies on MSc Accounting and Financial Management at Coventry University in Britain and instruct J3 to contact Student Financing Agency for Rwanda (SFAR) on my behalf for sponsoring my program. I am pleased to inform you that the **SARTING DATE OF MY COURSE IS 22<sup>nd</sup> September 2008**. And I have experienced that the board meeting of SFAR might take place in October 2008 which implies that my **admission** will be expired.
2. In order to go for my Master program in time, I would like to kindly request you to allow me to pay 50% of tuition fees as its required by Coventry University, then the remaining fees are to be paid in five consecutive installments from January 2009 by SFAR under follow up of my institution Rwanda Defense Forces (RDF).
3. Apart from paying 50% of tuition fees I will also afford to incur living cost expenses until February 2009 while waiting for sponsorship from SFAR. This will leads to the reduction of loan burden which I will obtain from SFAR.
4. Attached are copies of Certificate of acceptance from Coventry University, my previous application letter and recommendation letter from J3. I hope my request will be considered.
5. Respectfully.
