Objet : Transmission de Mémoire

A Monsieur le Président de l'Association
Culturelle ENTE/ASBL à Bunia

Monsieur le Président,

Nous avons l'insigne honneur de venir auprès de votre autorité soumettre la transmission du Mémoire.

En effet, personne n'ignore la situation des massacres que le peuple Hema traverse depuis le mois de décembre 2017 en province de l'Ituri. En attendant les enquêtes sur le génocide expressément organisé contre nous communauté hema, nous avons joint 2929 signatures pour s'opposer au dialogue intracommunautaire hema annoncé par Monsieur LONEMA VADJERU Président de l'Association Culturelle ENTE et retiré notre confiance de son comité.

Espérant que le fait énuméré ci-haut retiendra votre attention, nous vous prions de croire, Monsieur le Président, à l'expression de nos sentiments patriotiques.

PEUPLE HEMA MEURTRIE

**MEMORANDUM DES MEMBRES DE LA COMMUNAUTE HEMA VICTIME DE
CRIME DE GENOCIDE EN PROVINCE DE L'ITURI, REPUBLIQUE
DEMOCRATIQUE DU CONGO, A MONSIEUR LONEMA VADJERU PRESIDENT
DE L'ASSOCIATION CULTURELLE ENTE**

Nous, population membre de la communauté hema, traversons depuis décembre 2017, une tragédie indescriptible que le gouvernement de l'état de siège et la MONUSCO connaissent très bien.

En effet, les auteurs du « génocide » contre les membres de la communauté hema sont bien connus de ces derniers. Ils savent comment ceux-ci sont quotidiennement massacrés, les deux institutions précitées connaissent également très bien comment ce génocide silencieux (crime inacceptable) est exécuté contre les membres de la communauté hema en les exposant à la famine, au manque des soins médicaux dans les sites, en les privant de liberté de circulation et des activités nécessaires à leurs survies : agriculture, élevage, éducation scolaire, liberté d'expression et d'informations etc.

Ils connaissent la statistique de Hema massacré journalièrement par cette deuxième forme de génocide expressément organisé et imposé aux membres de la communauté Hema. Les corps de Hema qui quittent les sites à la recherche de nourriture pourrissent calmement dans la brousse sans inquiéter qui que ce soit.

La **CODECO** et le **FPIC** dit **chini ya kilima** qui exécutent impunément cette mission de génocide en Ituri sont connus et tacitement protégés par le gouvernement de l'état de siège en cherchant à présenter au monde qu'il s'agit **de guerre ou conflit interethnique** ; alors qu'il n'en est pas question.

Pour faciliter cette démagogie qui ne fait que prolonger la souffrance de la communauté hema à travers **les sites de déplacés et camps des réfugiés**, **Monsieur LONEMA VADJERU président de l'Association Culturelle ENTE ne cesse de nous répéter, nous citons : « on nous a appelé pour nous dire que pour le moment le financement est disponible et que nous pouvons déjà harmoniser le point de vue avec les partenaires ».**

A notre connaissance, aucun financement n'est disponible à ce jour pour sauver la vie des survivants hema qui meurent **de famine et maladies dans les sites de déplacés et camps des réfugiés !** D'ailleurs le directoire de ENTE sait bien que la communauté hema est en débandades. La plupart de ses membres entassés dans des sites de déplacés et camps de réfugiés. Les corps des personnes Hema massacrées **sont enterrés sans dignité humaine et normes culturelles dans les fosses communes.** Monsieur le président de ENTE, **LONEMA VADJERU arrêter** de prolonger la souffrance de la population hema **en cherchant à collecter 450 signatures de hema pour permettre aux complices de génocide de rebaptiser le génocide au conflit interethnique.** Et nous lui disons **NON, NON et NON.**

Qu'il ait pitié des sangs de ces innocents. Nous pensons que le dialogue intracommunautaire **ne doit en aucun cas être imposé, ni par le gouvernement de l'état de siège, ni par un bailleur de fonds.** Il est souhaitable qu'il émane de la base.

Pour toutes ces raisons, nous demandons ce qui suit :

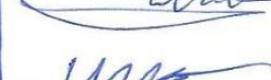

- D'abord l'ouverture immédiate des enquêtes indépendantes (internationales) pour que justice soit rendue en faveur des victimes hema ;
- Sécurisation des villages hema pour permettre le retour des déplacés et réfugiés hema dans leurs milieux respectifs ; **disons non au dialogue intracommunautaire qui a pour mission de rebaptiser le Génocide au conflit interethnique.**
- Décidons ce qui suit : dès le dépôt de ce mémorandum, Monsieur **LONEMA VADJERU président de l'Association Culturelle ENTE et son comité directeur sont déchus de leur fonction au poste du directoire ENTE,** en conséquence **aucun acte provenant de ceux derniers n'engagera la communauté Hema.**
- Ensuite, la base de la communauté hema oblige Monsieur LONEMA VADJERU président de l'Association Culturelle ENTE et son équipe de remettre au bailleur l'argent reçu au nom de dialogue intracommunautaire Hema. Au cas où notre demande ne trouve pas un écho favorable, nous nous réserverons le droit de passer à des manifestations publiques jusqu'à ce que nos préoccupations soient entendues.
