Dear Grandstaff,

I am very glad to know you. Indeed, Madame Carr, a great friend, from her vacation in America gave me your address and briefly spoke me about you.

As you have remarked, I don't write in good English. It is with pain I write in English: In the Countries settled by the Frenchphones (the speakers of French) we must use French even in the secondary school.

I have completely terminated the secondary school (College) and now I am in the school of the officers of the Rwandese Army (Colonel, Lieutenant...). I became Lieutenant in 1963.

I am 19 years old. My family counts four girls and five boys. So you know my grand brother is Vice-President of the Chamber.

In your letter, will you send me your photo.

Sincerely, Your new friend,
 Lizinde Théoneste
